Leadership Team Report
Ivan Muster, Deputy Principal

Change of Seasons
All of a sudden the days are starting to get longer, the sun seems to be warmer, plants are starting to flower and even the birds are singing earlier in the mornings. The change of season is almost infectious in how it gives everything and everyone more life, energy and enthusiasm.

Thank God for giving us this energy and enthusiasm to keep us growing here at Faith. We are in one of the busiest times of the year and I just want to highlight some of the many activities which have been and are about to occur.

The Year 8’s have just had their “Grandparents and Caregivers day” which allowed the sharing of stories and experiences between the two. There was genuine enthusiasm and excitement as students proudly showed guests around their school. The lessons that everyone attended after lunch were a highlight for grandparents as they experienced the use of new and exciting technologies. We thank guests for their positive and encouraging feedback on the day.

The Year 10’s are finishing their last week of subjects in the classroom and will spend the next two weeks participating in both a week of work experience and a bushwalking retreat. This is another new challenge for them to face and will give them the opportunity to experience more than just learning in the classroom. They will learn more about themselves, their friends, their faith and their future and continue to develop into the person that God wants them to be.

The Year 11’s are now planning for the future with subject selections now completed and courses decided on for 2017. There is also a buzz in the air about the selection process for the 2017 College Captains. The whole college community (Staff and all Students) have nominated leaders and a short list of 9 candidates gave a 2 minute presentation during a recent Chapel. Let me say that we certainly have some great leaders coming through. Well done and good luck to all.

Continued page 2.
BUS CHANGES – D.E.C.D. Buses

Due to early finishing time at Nuriootpa High School on the last day of Term 3 - Friday 30th September, all DECD buses (Gomersal/Bethany, Lyndoch, Cockatoo Valley, Rowland Flat) will be running 50 minutes earlier.

- Students will need to be ready to meet their buses at 2.45pm. Parents need to be aware that students will be arriving at their destinations 50 minutes earlier.

Thanks for your assistance with this matter and please contact Richard Birrell, Bus Coordinator if further information is required.

TERM 3 REPORT INFORMATION

Year 12 Reports

Reports will be posted on Friday 23rd September. These will be the last reports that Year 12 students receive from the College.

Years 8 to 11 Reports and Parent/Teacher Interviews:

- Reports for students in Years 8 to 11 will be emailed on Thursday 29th September. If you would like a hard copy mailed to you please contact Pauline Sachse either by email psachse@faith.sa.edu.au or by phoning the College on 85614200.

- Login details and information for making your Parent/Teacher Interviews will also be emailed to you. These Interviews are being held on Thursday 20th October, which is during Week 1 next term. Interviews will commence at 3.45pm and finish at 7.15pm.

Craig Moore
Director of Student Learning

Leadership Team
Report Continued...

Year 12’s are looking at completing their current studies in the next few months and some have already looked at choice for university and options for life after school. We wish them well and pray that God gives them clarity and focus for the busy time ahead.

The staff also had the opportunity to get together with fellow Lutheran School Teachers from around the state to network and participate in the ‘Lutheran Secondary Schools Conference’. The theme for the day was “SHARE SERVE & LEAD”. The ideas, concepts, learning and enthusiasm gained from this day will help our staff into the future.

Finally good luck to all of our students who are competing in sporting finals at this time of the year. May God bless you as you use your talents in a team environment and help you to play at your best!

Uniform Shop

Reminder for those in the old style formal uniform. We have (new stock) of the old style uniforms currently on sale at drastically reduced prices, including shoes and sandals. Pop in and grab a bargain.

Second Hand

If you have old style uniforms you wish to donate. Our uniform shop is collecting old style Faith uniforms and sending them to South Pacific School Aid. Thank you in advance for your participation towards this great cause and helping needy children obtain a school uniform.

Please ensure they are clean and in reasonable quality.

Lost Property

Please ensure your clothing and other items are clearly labelled with your name and caregroup ensuring we can quickly return these items to you if found.

Our uniform shop is open on Monday, Tuesday and Thursday 8.30am – 4.00pm (lunch 12.00pm – 12.45pm)

The Faith Uniform Shop will be OPEN for 1 day only between 10am and 2pm on Wednesday 5th October.

An exciting opportunity exists for an enthusiastic, passionate and suitably qualified person to join the Faith College staff team in the position of:

Agriculture Assistant

Full time position for 5 years commencing 17th October 2016. Required to work as part of a team assisting the agriculture faculty of the College over 48 weeks per year. Experience in general agriculture husbandry and general grounds upkeep required.

For position description or more information visit website www.faith.sa.edu.au or contact Nerida Harris, the Principal’s Personal Assistant.

Applications close at 4.00pm on Friday 30th September 2016 addressed to:

Confidential – Principal’s PA
Mrs Nerida Harris
Faith Lutheran College
PO Box 296, Tanunda SA 5352
Phone: 8561 4201  Fax: 8563 2408

Science Investigation Awards: State Finals

On Monday September 5th the winners from Faith’s Science Investigation Awards showcase went to the Royal Adelaide Show for the state finals. Faith students did exceptionally well and the following students won prizes. It is a great achievement to be selected from schools throughout the state for a prize at this level.

Senior Food and Fibre Investigation 1st prize ($300): Margot Pick and Matilda Allert - Does organic vs commercial diet in ducks affect growth rate?

Year 9 Science Investigation 2nd Prize ($150): Anneka Wilksch - The Effectiveness of Firelighters in terms of Ignition and Burn times;

Senior Science Investigation Award (Year 10 to 12) 1st ($250): Harry van der Lende and Dylan Kalleske: The effect of air pressure and barrel length of muzzle velocity for a compressed air gun.

Congratulations also to Lucy Anderson, Adam Schutz and Sheldon Scholz, Tyla Jones and Lucy Zilm for also being selected to represent Faith at the state finals of the Science Investigation Awards.

Lions Youth of the Year

We started the night with a toast and then kicked off with two impromptu speeches which were quite scary for me. I completed the first one well with a question of: ‘Is country youth more disadvantaged from city youth.’

The second impromptu question was a lot harder as it was about the 3000 steelwork jobs being lost in Whyalla and how the impact of these job cuts could have been minimised. I completely froze as I had no idea what to say for the topic and I stood there silently for 2 minutes! Matthew Kazla and Samuel Doering answered both impromptu questions well.

We had dinner and dessert and met a range of different people. We also got some advice about impromptu speeches in the future from one of the judges.

Then we each had our 5 minute pre-prepared speeches. Matthew went first and spoke really well and clearly, despite the fact that he had woken up with no voice and could not speak much earlier in the day. I spoke well but a tad too fast, moved around a lot and could not stand still. It was scary at first but around midway through the speech it became easier. Samuel went third and he spoke really well too. He did not rush and it was quite an interesting topic that he spoke about. In these speeches you could hear the passion that we all had for our topics.

The judges eventually came back from discussing the scores and gave us a few pointers about public speaking. We all first received a certificate of appreciation. Samuel won the public speaking award and Matthew won the overall award for the night.

The night as a whole was amazing and it was definitely a highlight for me to see two very talented friends perform their best. I was very happy to be there and learn new things about public speaking and how to handle an impromptu speech.

Jessica O’Callaghan
Year 11 student

College Visiting Procedures

All visitors and parents are asked to make appointments prior to speaking with staff members and proceed to the College Reception to sign in before attending any appointments. Barossa Arts and Convention Centre visitors may proceed directly to the BACC Office.

Former students are permitted on campus after signing-in if they have an appointment with a staff member.

Direct family members only have permission to speak with students, with the approval of a senior staff member.

Student friends from outside the College are not to be invited on the campus.
**SEMI-FINAL ROUND**
Tuesday 26th July 2016
Henley High School

**Game 1**
**Faith v Henley High School**
In slippery conditions the team took to the field against a very strong opponent in Henley High School. The team battled hard and had some very good patches of play, particularly when pressure was applied to the ball carrier and tackles stuck. However, Henley was far too strong, with exceptional skills allowing them to move the ball quickly from one end of the ground to the other and convert the majority of their opportunities around goal. They eventually ran out comfortable winners.

**Final score:**
Faith 0.3 defeated by Henley High School 14.5

**Game 2**
**Faith v MNSEC (Mid-North Secondary Schools)**
After a short break following Game 1, the team regrouped and focussed on putting in a good performance in Game 2 against a more evenly matched opponent in MNSEC.

A commanding performance in the ruck gave the Faith midfielders first use of the football and they were able to set up good scoring opportunities for the forwards. The backline held together well, working together as a defensive unit to move the ball out of danger and back into attack.

Faith created an early lead and managed to maintain it throughout the game, eventually winning by 15 points.

**Final score:**
Faith 8.6 defeated MNSEC 6.3

To secure a win in the final game was a fitting way for the team to finish the 2016 competition. Unfortunately the loss to Henley meant that the team did not progress beyond this round. However, the team should be very proud of their efforts, and the fact that they came within 1 game of playing in the Pool A State Final.

The team consisted of a squad of 29 students who each played a role in getting the team to the final stages. This included a handful of students who assisted with roles such as Runner, Boundary Umpire, Goal Umpire and Water Steward. Without their support the team would not be able to function.

Thank you to the Yr 12 students for their contribution to the team over the last few years. Yr 11 and Yr 10 students can look forward to where next year's competition may lead.

**Olyvia Reimers in the Australian Girls Choir**

One of our talented Year 8 Music students, Olyvia Reimers, has recently returned from a 2 week adventure in the North Island of New Zealand. She was touring as a member of the Australian Girls Choir alongside 55 other girls from 5 capital cities around Australia who all auditioned to be a part of the New Zealand tour. They worked very hard at a 4 day workshop camp in Piha where they all met for the first time and sang their learnt songs as a combined group. From there they travelled the North Island and performed 14 times at various places including at the TePapa Museum in Wellington and for the Australian Embassy. Highlights from the trip were visiting Hobbiton, a plane ride with her host family, meeting the girls from the other cities and the scenery throughout the country. A big congratulations to Olyvia for her dedication and achievement.
Since early Term 1, an enthusiastic group of students have given up numerous lunch-times to prepare 3 different teams of animals for the Royal Adelaide Show.

Tracy Bonython provided 8 Boer wethers which were fed on a goat ration donated by Laucke Mills at Daveyston. Growth rates were excellent and much effort was made training them to lead on the halter. Mrs Doecke stepped in to manage the project in Term 3 while Mrs Bonython was on maternity leave and did an excellent job of overseeing the goat team. While our only success with the goats was a 6th ribbon, Faith was awarded 3rd best for the grand Parade, 2nd Best Presented Show Team and Year 11 student Grace Pinchbeck won second place in the Handlers Awards from 150 students.

Marianne Nelson managed the Merino wether teams where we exhibited 2 pens of 3 wethers. Our barley and Lupin ration which is milled up at Faith must be working as we were awarded with the prize for Best Growth Rate since February when the wethers were shorn and weighed by a representative from the Merino Breeders Society. Student success was amazing by the students involved with the sheep programme.

- South Australian Merino Fleece Judging Championship
  Johnathon Schutz – Second Prize
- Junior Section of the Merino Sheep Judging
  Jed Habermann – First Prize
  Ruby Schultz – Second prize
  Sarah Morris – Third Prize
  Brooke Friebel – Landmark Award
- South Australian Merino Sheep Judging Championship
  Luke Sander – Second Prize

The team of 5 steers was reduced to 4 with one steer not meeting our behavioural requirements for representing Faith in public. A dedicated group of 16 students worked diligently to prepare animals weighing up to 670 Kg for the Led Steer Competition. Apart from training much time was spent training the animals for washing, clipping and grooming. In the show ring the Limousin steer, donated by Sandra Keatley was awarded a 1st ribbon from a field of 12 steers. The Angus steer, donated by John and Caroline Hassing of Eden Valley was also successful taking out a first ribbon from eleven animals. The Santa Gertrudis which was the 30th steer donated by Doering Brothers from Dutton, gained a creditable 4th ribbon from a very competitive class of 12 steers.

As a result the Limousin and Angus steers were able to compete against the cattle breeders open class animals to vie for the Championship ribbons. We were all excited when the Limousin steer took out Reserve Champion Heavyweight steer.

We later achieved success in the On Hook competition with the Santa Gertrudis taking out a second ribbon in the Export class with the other 3 steers achieving creditable point scores.

Congratulations to all students and staff for representing Faith Lutheran College in a very professional manner.

Bob Mitchell
Agriculture Co-ordinator
Royal Adelaide Show Faith Successes
Food & Hospitality Judging for Mengler View Wine Launch

In Week 6 the Year 11 Food and Hospitality students presented their culinary masterpieces to staff for judging. The judging panel will select a main course and a dessert for the Hospitality students to prepare and serve to approximately 120 guests at this year’s Mengler View Wine Launch dinner in October.
Food & Hospitality Judging for Mengler View Wine Launch
Flinders University Open Day Excursion

On Friday the 12 of August 33 students, Mrs Roberts and I attended the Flinders University Open Day to explore the many wonderful courses on offer and the amazing grounds. This excursion was offered to support the Year 10s and Year 11s with subject selection and the Year 12s in preparation for University applications for 2017.

The students thoroughly enjoyed the day and were able to attend either 2 or 3 course sessions. They attended sessions on; Creative Arts – Drama, Paramedic Science, Teaching, Nursing/Midwifery, Law, Engineering, Psychology, Creative Arts – Media, Physiotherapy, International Business/Relations, Forensic and Analytical Science, Criminology and Exercise Science.

This year many of our students attended the open days on the weekend of the 12 – 14 of August. I am pleased that students and families see the value in attending open days and working their way backwards from University courses or alternative pathways to what subjects are needed in Years 11 and 12. Attending open days helps students to make decisions on courses and the educational institutions or training providers that suit their needs and personality.

A special thank you to Manfred who drove the bus to and from Flinders University, Mrs Roberts, the students, Flinders University for paying the bus expenses and for each of you for attending the open days and valuing the exploration process as a family.

Trish Cirillo, Careers Coordinator
Since the early days, Magnolia Fare has been one of Faith's largest fundraising events. It may have evolved over the years, but the core of the event is still the same. It's an evening when College families come together to support Village stalls, and enjoy the colour and entertainment of student music bands, student art exhibitions, rides and food, College wines and cleansing ales. It's a community event, and everyone is invited! For the evening to be a success – we ask each family to help on their Village stall for one hour on the evening.

This year we have introduced a theme – 'around the world'. This gives us the opportunity to share some of the exciting global opportunities available to our students at Faith. Each District has been assigned ‘a country’... Each Village will be responsible for a stall, although we may ask some families to help out a neighbouring stall if required....

**South East ASIA - DISTRICT 1: St Kitts, Gnadenberg, Stockwell, Krondorf**
Did you know that Faith students have the opportunity to travel to South East Asia? Whether it is three weeks in Vietnam or Thailand with Habitat for Humanity, or Raw Impact in Cambodia. From building schools, family homes and helping with sustainable farming practices, these service learning opportunities enable students to gain a new perspective about the world around them.

**STALLS: Bahn Mi (Pork Rolls), Farm Animals and Passport Activity**

**USA - DISTRICT 2: Light Pass, Hoffnungsthall, Gruenberg, Jacob's Creek**
For over 15 years Faith has established a connection with LuHi in Long Island, United States. Each year a number of Faith students have the opportunity to experience a term in the States – perhaps not long enough to develop an accent, but certainly enough time to develop life-long connections and an insight into life in another country!

**STALLS: Burgers, Hotdogs, Donuts and Passport Activity**

**AUSTRALIA - DISTRICT 3: Neukirch, Rosenthal, Ebenezer, Bethany**
We enjoy welcoming students from various corners of the globe to study with us here in Australia. Whether we are welcoming a Japanese student teacher, or exchange students from the USA, Germany or Japan, or a visiting school group from South East Asia – we always love sharing a taste of Aussie culture and traditions...!

**STALLS: Crocodile/Chicken Satays with Aussie Marinade, Cake Stall, Tin, Jar & Bottle and Passport Acitivity**

**GERMANY - DISTRICT 4: Langmeil, North Rhine, Gnadenfrei, Gomersal**
You only need to look at the list of Village Care Group names to recognise the influence Germany has had in the Barossa community over 170 years... In fact, students have been connecting with our sister schools in Germany since the early years, providing valuable exchange and learning opportunities for hundreds of students.

**STALLS: Würste, Desserts, Silent Auction and Passport Activity**

**JAPAN - DISTRICT 5: Vine Vale, Siegersdorf, Greenock, Penrice**
From pen pals to skyping, exchange trips and cultural learning – studying Japan at Faith provides students in years 8 – 12 so many opportunities to connect and explore... and what's not to love about Japanese culture?! A taste of the delicious foods, intriguing sports and colourful activities, all shared at this Magnolia Fare...

**STALLS: Sushi, Noodle Box, Sumo Suits and Passport Activity**

* The Magnolia Fare Passport will be another new addition to this year's event. Travel around the world with your very own Passport - with each country showcasing a variety of fun activities for young and old.

Further information about Village Stalls will be shared with families in the coming week. Please contact the team in Community Relations with any questions or ideas to build on this theme. Email: communityrelations@faith.sa.edu.au or phone 8561 4200.
COMING EVENTS

JOHN LENNON TRIBUTE
Saturday, 8th October 7pm

This is a phenomenal journey of John Lennon’s time with the Beatles and features over 30 songs from his beginning with the Beatles right through to the Abbey Road album.

Greg Hart’s newest show “John Lennon - The Beatles Years” is accompanied by a five piece band plus Greg on guitar.

A narrative between songs telling John Lennon’s story.

She Loves You, Please, Please Me, I am the Walrus, Strawberry Fields, ...and Many More

Tickets inc 2 course dinner and show

A MORNING WITH GROUCHO
Wednesday, 19th October 11am

Award-winning actor Frank Ferrante recreates his PBS, New York and London acclaimed portrayal of legendary comedian Groucho Marx in this fast paced 90 minutes of hilarity.

The two-act comedy consists of the best Groucho one-liners, anecdotes and songs including “Hooray for Captain Spalding,” and “Lydia, the Tattooed Lady.” The audience literally becomes part of the show as Ferrante ad-libs his way throughout the performance in grand Groucho style.

Tickets inc 2 course lunch & show, or show only

FAULTY TOWERS - THE DINING EXPERIENCE
Thursday, 16th February 7pm

This globetrotting show is truly quite legendary, selling out every time it has been here.

It returns to Barossa Arts and Convention Centre in February 2017 for the fourth year in a row, “but be warned it will sell out here again.”

The audience become diners in the ‘Faulty Towers’ restaurant and are served by Basil, Sybil and Manuel, pretty much anything can happen.

Tickets inc 3 course dinner and show.

For more information on upcoming events visit our website at www.barossaconvention.org
Bar and Service of Drinks

Short course for Year 12 students

Learn the essential skills required to work in the bartending profession from experienced and qualified bartenders.

Units include:
- Provide responsible service of alcohol
- Operate a bar
- Clean and tidy a bar
- Process financial transactions
- Use hygienic practices for food safety

Time: 9.00am - 3.00pm

Dates (set around Valedictory, Schoolies etc)
- Wed 23 November
- Thurs 24 November
- Tues 29 November
- Wed 30 November
- Mon 5 December

Cost: $450 with Hygiene unit
- $390 if Hygiene unit already completed

Please see Mrs Rivers in the Future Pathways office for a TAFE Registration form

Kapunda Tennis Club

Registration at Dutton Park
Friday 16th September 4pm - 6pm

Sausage sizzle available and bring your Tennis Racquet along for a friendly hit before the season starts.

Registration Forms are available from Kapunda Primary School office or on our website: http://communitywebs.org/kapundatennisclub

Juniors competition for up to 17 year olds, as of December 31st 2016.

Enrol now

Theatre Tech 2017

The entertainment industry is a fast growing area for employment in South Australia – the Festival State, and provides exciting opportunities across the country and worldwide.

Qualification: Certificate II in Creative Industries

When: Semester 1 2017
- Wednesdays 4.00-8.00

Where: Barossa Arts & Convention Centre (BACC)

What: The course gives students knowledge and experience in areas such as staging, audio, lighting and bumping in and out of stage productions

Who: For students going into Year 10 and Year 11 in 2017

Credits: 30 Stage 1 SACE Credits

At the end of training, students will have the opportunity to assist with the technical requirements for school and community events and casual employment with the BACC.

For an application form or more information, see Mrs Sanders or Mrs Rivers in the Future Pathways office.

Instrumental Music:
A reminder that Faith instrumental lessons continue to the end of Term 4. Please advise Mrs Mardle next week if you want to make changes to your current arrangement.

cmardle@faith.sa.edu.au
