On Friday the 4th of November, the beautiful grounds at Faith College will once again transform into a bustling market with variety stalls, music performances and activities for the whole family to enjoy at the annual fundraiser, Magnolia Fare.

This year Magnolia Fare celebrates the College’s global connections with a colourful ‘Around the World’ theme. Students at Faith have the opportunity to connect with students across the globe through the Japanese and German language programs and exchanges, exchanges to the United States, and service program opportunities in South East Asia, including Habitat for Humanity in Cambodia. Over the years Faith has also welcomed exchange students from countries such as Sweden, Switzerland, Norway and France, providing the opportunity to share our Australian culture and develop life-long connections in all corners of the world.

Join us from 4pm for the official welcome to country and smoking ceremony.

See pages 10, 11 and 12 for more details about the full music program and details about the exciting activities on offer.
Important Information

Advice to Families of Bus Travellers

As all Faith families would know, Link SA is now the provider of bus services to students in our region. During the transition period as operations were transferred from Faith to Link SA (which commenced back in 2014), there has been ongoing communication between Faith and Link SA to ensure the best quality service to our students.

Since Link SA assumed responsibility for bus services, we have experienced the Pinery fires and also recent flooding. These events have caused all parties to review procedures and to discuss the best ways in which to ensure student safety.

In discussions with Link SA, it has been agreed that all future communication regarding buses will be the sole responsibility of Link SA. By having one voice for communication we hope to avoid any confusion and therefore provide parents and bus travellers with absolute clarity regarding critical incidents or route changes.

Link SA have provided the following contacts at their organisation. Concerns, questions or information regarding Link SA services can be directed to the following Link SA staff.

Daryll Conlon - Operations Manager
Daryll.Conlon@keolisdowner.com.au

Geoff Sutton – Area Manager
Geoff.Sutton@keolisdowner.com.au

Neil Henderson – Area Manager
Neil.Henderson@keolisdowner.com.au

It is our understanding that Link SA are working hard to provide the highest quality service to travellers. In recent conversations with Link SA we were advised that...

1. a new Link SA web site has been released providing accurate and quality information to families

2. in the future, Link SA will have the ability to SMS families should the need arise. As a general rule, SMS communication to families will be the responsibility of (and come directly from) Link SA. The only exception to this would be in an emergency situation if Link SA requested Faith assist with contacting families. The contents therein would remain as per Link SA instruction. Parents should be aware that in both recent critical situations, power outages made communication with families difficult – and so parents should always make the best decision for their personal circumstances and not rely on SMS communication

3. all concerns or complaints regarding bus services should be directed to Link SA (not Faith College) and will be dealt with promptly and efficiently

4. updated timetables for all services will be provided to travellers in the coming weeks. We understand that improvements have been made to some routes.

From this point forward, parents should be aware that Link SA will be making decisions regarding whether buses run or whether routes are cancelled. This is purely a matter for Link SA and Faith College will take their advice from Link SA. Link SA have access to emergency service information that is not available to Faith College and therefore they are best placed to make final determinations. We would expect Link SA to communicate any changes directly with families. The only exception to this rule would be in an emergency situation (such as the Pinery fires), where Faith College reserves the right to prevent students from boarding a bus at the end of the school day should we have reservations about a particular route or student safety.

In essence, our most recent discussions with Link SA mean that all parties have agreed that Faith families should direct all queries regarding buses directly to Link SA rather than to Faith College. Faith will continue to have regular meetings with Link SA and will are thankful for Link SA's willingness to provide the highest quality service to our students.

Pedal Prix... it’s been ÜBER!

Definitions:

Uber: denoting an outstanding or supreme example of a particular kind of thing, to a great or extreme degree.

Schnell: fast, quick, in a rapid manner.

2016 has seen Faith’s Pedal Prix team, Uber Schnell, compete at more events, cover more kilometres and achieve more ‘über’ results. This year the team competed at all four rounds of the Australian Human Powered Vehicle Super Series for the first time.

Round 1 – Loxton 6 Hour: 5th in class
Round 2 – Adelaide 6 Hour: 6th in class
Round 3 – Adelaide 6 Hour: 7th in class
Round 4 – Murray Bridge 24 hour: 6th in class out of 47 teams, 27th out of 202 overall,

478 laps = 817.38km, fastest Lap: 2:25.010 @ average speed of 42.9kph

Well done to the entire riding squad for their efforts throughout the year, both with the increased focus on fitness training and their efforts at each race. After racing for a total of 42 hours and 1434km of racing, we finished with a very pleasing series result of 6th in class. The riding squad consisted of Samuel Lecons, Cain Greer, Samuel Prior, Jonathon Schutz, Daniel Grosser, Damien Jenke, Matthew Kazla, Connor Chidgey, Jackson Nokes, Adam Schutz, Patrick Prior, Tyson Liebelt, Tom Rivers and Ben Kurtz.

Thank you to all the parents who assisted in many ways throughout the year and to our supporters for their many forms of assistance this year.

Jason Rosenzweig
Pedal Prix Coordinator

College Visiting Procedures

All visitors and parents are asked to make appointments prior to speaking with staff members and proceed to the College Reception to sign in before attending any appointments. Former students are permitted on campus after signing-in if they have an appointment with a staff member.

Barossa Arts and Convention Centre visitors may proceed directly to the BACC Office.

Direct family members only have permission to speak with students, with the approval of a senior staff member.

Student friends from outside the College are not to be invited on the campus.
Faith College is certainly blessed to have such a committed and wonderful staff team which is made up both teaching and non-teaching staff.

In recent times we have celebrated some important milestones and recognised the outstanding service of those who have retired and concluded their service to Faith College.

At the start of this term we acknowledged Mrs Michelle Schwarz, Mrs Judi Schmidt and Mr John Hegarty. All of these staff have been recognised for serving Lutheran Education Australia for 20 years. Michelle, Judi and John have served in multiple schools and served in many different roles. We give thanks to God for Michelle, Judi and John and their faithful service. At the end of last term John concluded his time at Faith College and will be farewelled at the end of this year. We thank John for his service as both a teacher and more recently part of the College maintenance team.

Staffing Update

During the holiday break, Mrs Tammy Mieglich announced that after 8 years of service to the Faith community that she had accepted a new position as the Marketing and Public Relations Manager of Mt Carmel College in Rosewater. It is wonderful that Tammy will continue to use her skills in a school environment and we celebrate this new and significant leadership challenge that she has accepted. We know that Tammy will be a blessing to the Mt Carmel community. Tammy was probably best known to our families through her work producing the Vineyard and for her efforts to support the successful organisation of the annual Magnolia Fare. While Tammy has already commenced her new role, she will return for a farewell at the end of this year.

Farewell Mr Paul Schimanski and Ms Tammy Meiglich

At the end of last term Mr Paul Schimanski retired from his position of Agriculture Assistant. Paul has served at Faith for 21 years. Throughout his time at Faith, Paul worked predominantly in supporting the teachers and students of the Agriculture department where he played an important role in the Wine Education Program as well as managing the various animals that are held at Faith each year. We wish Paul every blessing for retirement and thank him for his commitment to our community over 21 years.

I am pleased to advise that Mr Craig Zilm has accepted the offer to fill the vacancy created by Paul’s retirement. Craig comes to the role of Agriculture assistant with a strong farming background and will no doubt be a blessing as we continue to develop and strengthen the Agriculture program at Faith.

We look forward to welcoming Craig as he commences his new role in Week 2.

Trudi Hayward

We delight with Mrs Trudi Haywood on the announcement that she is expecting her second child. We pray for Trudi and her family at this exciting time. Trudi will take Maternity Leave for the duration of 2017.
The Faith Lutheran College awards program values and acknowledges student excellence in education. It highlights the diversity of programs being offered by the College and the valuable learning of our students as they develop their interests, skills and abilities.

**Subject prizes**

Subject prizes are awarded to each year level. The criteria for student selection by Faculties will be: exemplary attitude, high engagement & highly capable performance.

Students who achieve a subject prize have been generously supported by Faith College awards program sponsors.

**Sponsors contribute $50 toward each subject prize.**

In Years 8-11 the sponsorship provides $30 (this may be a $30 voucher) directly to the recipient of the sponsors nominated award and $20 to the awards program which ensures that each subject receives a prize.

In Year 12 the $50 sponsorship of each award goes to the sponsor’s nominated award recipient in its entirety.

**Special prizes**

Special prizes are awarded at each year level. Special prize sponsorship goes to the sponsor’s nominated award in its entirety.

**Special prizes are awarded as follows:**

- Magnolia Prize (Year Level Coordinator to recognise – budding talent) $50
- Leadership Award $50
- Citizenship Award $20
- Years 8-11 Boys Dux $60
- Years 8-11 Boys Runner up Dux $40
- Years 8-11 Girls Dux $60
- Years 8-11 Girls Runner up Dux $40
- Year 12 Boys Dux $100
- Year 12 Girls Dux $100

**Scholarship Program**

The Faith College Scholarship Program promotes inclusion and equity. Sponsors contribute directly to student tuition fees. Scholarship recipients have been nominated by the College and have demonstrated a positive attitude and aptitude for learning.

Each year we are pleased to celebrate the fantastic work that students have been doing across all areas of the college. We are very grateful that we have strong community support in recognising students who are excelling in their fields.

We have an opportunity for you to become involved in sponsorship at the college. All subject awards are sponsored to the value of $50 with students in year 12 getting the full amount whereas in years 8-11 they receive a proportional amount once all award areas have been covered. Special awards exist at each year level and the opportunity to provide scholarships is also available.

Each year our award recipients and sponsors are recognised at our respective year level awards ceremonies, in our College Vineyard newsletter and also in the College magazine, Footprints.

Thank you to our current sponsors for your generosity and support of our students. If you wish to be a partner with our awards program please contact either, Julia Nobes, jnobes@faith.sa.edu.au or Craig Moore, Director of Student Learning, cmoore@faith.sa.edu.au to discuss this opportunity.

We are excited to advise that the Magnolia Fare program is now available on the website via www.faith.sa.edu.au/community/events.

A hard copy of the program will be sent home with students on Friday as well as some more information about your Village stall and the updated volunteer roster. This has been quite a process to collate, so please let your Village staff members know if we have missed you off the roster, or if there are any concerns with the time you have been allocated. There are still a number of shifts to fill, so please let us know if you can still help on the evening!

Music
We can't wait to enjoy the array of tunes that will be performed by our talented students during Magnolia Fare. Refer to Vineyard page 10 for the full program.

Prior to the music program, the event will officially open at 4pm with a welcome to country and a smoking ceremony. We hope you can join us for this.

Art & Design
The colourful works of our Year 12 Art and Design students will once again be exhibited in the light-filled foyer of the Barossa Arts and Convention Centre. The exhibition opens on Tuesday November 1 at 8.40am during chapel – all welcome! Otherwise enjoy the art and design during Magnolia Fare and vote for your favourite work. The People’s Choice Awards will be announced at 7.30pm on the Magnolia Fare main stage.

Passport Activities
Create your own masterpiece with a range of fun-filled activities to suit young and old. From a favourite tradition of decorating honey biscuits, to kite-making and lantern decorating, there is plenty of fun to be had! Or have a laugh and dress up at the photobooth, or bob for apples on the lawns of the Wine Education Centre.

Wine Auction
Stock your cellar for the festive season! Once again we have over 50 lots of remarkable wines donated by wonderful supporting wineries across the region.

The Wine Auction starts at 7pm within the Mengler View Winery with Graham Wright from Oddbins as our fabulous Auctioneer. From 6pm there will also be opportunity to taste the new vintage of Mengler View wines, as well as a number of carefully selected special wines from across the region.

Silent Auction
Some amazing lots have been generously donated once again to this year’s Magnolia Fare.

From a beautiful country retreat get away, to beautiful jewellery, pamper baskets and packs to impress your barbecue guests, make sure you pop into the Wine Education Centre (Lab) for a look at the 30+ items up for bidding!

Market Stalls
Over 20 market stalls to explore from delicious sweet treats to hand crafted Christmas calendars, jewellery and children's clothing – wander through the centre courtyard and make sure you drop into the Eckermann Theatre to discover the full range of market goodies available.

Amusements
Enjoy the fun-filled fair atmosphere on the Western oval with a number of rides, side shows and a bouncy castle.

Yalumba Nursery Fireworks
Make sure you stay until 9pm as the sky lights up with fireworks generously sponsored by Yalumba Nursery.

**Year 12 Information Sessions**

Throughout Term 2 and 3 the Year 12s were involved in a series of information sessions to continue their exploration of options for their future pathways. I provided a SATAC presentation, explaining how to apply to; University, TAFE, interstate universities, apprenticeships with private training providers and the world of work. Once all presentations were completed, I then met with every Year 12 student for a 15-minute appointment to discuss their possible options.

The Year 12s then heard from Adelaide University, Flinders University and the University of South Australia. During these presentations each University discussed; the courses available, alternative courses into your preferred course, student support services, scholarships, the variety of clubs and social groups and other necessary information. At the end of each session, the presenters allowed time for students to ask individual questions, collect course brochures and other additional University merchandise. The students found these sessions worthwhile and enjoyed the one on one time with the presenters to ask individual questions and collect individual course brochures. Our Year 12s have made wonderful choices on their pathways beyond Year 12 and are looking forward to their next journey.

At the end of this term, I will distribute a Year 12 package to all the students, detailing; how to access their SACE results, when they will receive their results, accepting or deferring study, changing preferences, contact numbers and much more. Students are welcome to visit and discuss options once they have left school, our door is always open.

How contaminated is that object?

The Scientists in Schools (SiS) program is an initiative of the CSIRO which links a scientist with a school. Our scientist partner, Dr Helena Ward, visited Faith in Term 3.

Dr Helena has a PhD in Microbiology and is currently employed as a Senior Lecturer in Medical Education (Medicine and Teaching Unit) at The University of Adelaide. Dr Helena has held research positions at the London School of Hygiene and Tropical Medicine, the University of Adelaide (Waite campus), Flinders University and she was also the Program Director of the Biotechnology Degree at the University of South Australia (2002-2008).

Dr Helena is a microbiologist and teacher of medical students at the University of Adelaide but she also volunteered some time to work with Ms Pumpa’s Year 8 Science class. The students were introduced to the fascinating world of microorganisms and participated in a “Fun with Fomites” investigation.

Fomites are inanimate objects that can carry disease causing organisms like bacteria and fungi. The students worked in pairs or groups of three to investigate a fomite of their choice including such things as coins, chairs, shoes and door knobs. The chosen fomite was tested for the presence of microbes and an experiment was designed to observe the effect of washing the fomite with water or alcohol. The question pondered was, “Could washing reduce the number of microbes on the fomite?”

Scientific method was used in planning and performing the experiment. It was important to design a fair test and to consider how variables would be controlled.

Dr Helena introduced the students to some common microbes and discussed how they are cultured in a laboratory. She demonstrated sterile techniques used when working with microbes and in particular with streaking agar plates.

The students were guided through a microbiology experiment and the steps involved in writing a scientific report. Many new skills were learnt along the way, a really good website was visited to learn more about bacteria, fungi and viruses, and it was fun!

Thanks to Dr Helena for enthusiastically sharing with the students a little about her studies and work as a scientist. It’s always interesting to hear about what scientists in the ‘real world’ do!

Carols by Streetlight

Come All Ye Faithful and sing your Joy to the World!

Carols by Streetlight is a movement within Christian churches across Australia, singing the Christmas story into the heart of the community.

Organise one or more groups to take the Christmas story from the seats of your church to the streets of your suburb anytime between December 18th - 24th, anywhere around Australia.

Visit www.carolsbystreetlight.org for more info!
Community Noticeboard

The Department of Planning, Transport and Infrastructure (DPTI) provides guidelines for the provision of school bus stops on roads under its care, control and management. Schools are encouraged to be familiar with these guidelines and to seek advice from the department with selecting appropriate and safe locations.

School bus stop speed limit
- A 25km/h speed limit applies in South Australia when passing a school bus that has stopped for the purpose of picking up or dropping off children.
- A ‘school bus’ means a bus that displays the warning signs and flashing lights required by the vehicle standards for buses used mainly for carrying children.
- Contact South Australia Police (SAPOL) Traffic Watch on 131 444 to report dangerous driving.

Planning safe locations for school bus stops
- Children, especially those of school age, can be poor judges of traffic speed and are often impulsive. Therefore, eliminating the need for students to cross the road should be a priority when considering safe locations for stops.
- Stops should be located where the bus can be easily seen by approaching motorists and where there is adequate site distance to allow drivers to slow down to 25km/h using gentle braking.
- A school bus should stop completely clear of the road reserve or within an established rest area or other roadside facility where possible.

School bus stops on rural roads

A 25km/h speed limit applies in South Australia when passing a school bus that has stopped for the purpose of picking up or dropping off children.

Guidance to parents, carers and children using school bus stops

Schools can help raise road safety awareness and increase the safety of children prior to boarding or alighting from a school bus by instructing parents/carers and children of the following safety tips.

Parents and carers
- park your car on the same side of the road as the bus stop to avoid the need for children to cross the road
- avoid parking on bends, crests or street corners (near road junctions)
- let children out of the vehicle on the footpath side of the vehicle and accompany young children safely to the bus.

Children
- wait well clear from the roadside for a school bus to arrive
- take time to make sure the road is safe to cross
- choose safe places to cross roads, avoid crossing at bends, crests or where bushes or trees reduce visibility
- wait until the bus has left the bus stop and is out of sight before crossing the road to minimise the danger of the bus obscuring children from view.

For more information on DPTI Operational Instruction 20.2 for planning school bus stops on rural roads visit www.dpti.sa.gov.au/standards/tags or for information about selecting a suitable bus stop site call DPTI Traffic Operations Section on 8228 8222.
