Welcome to the Year 9 - 10 Information Night
The Good

• Not being in Year 8
• Not being the youngest in the school
• Giving Year 8’s advice
• Picking on the Year 8’s
• My friends
• Feeling a more important part of my friendship group
• Being treated more like adults
• Fun classes
• The subjects (every subject got a mention)
• The work isn’t tooooo hard
• The teachers are fun!
• The Music Camp
The Most Difficult

• Homework – lots more than Year 8
• Juggling lots of different subjects
• Lots of assignments
• Relationships
• 7.00 am
Your Favourite part of the School Day

- Lunch, Recess
- Being with friends
- Laughing with friends and teachers
- Days when I don’t have tests
- Eating
- Going home
Mr Nick Schmidt

Year 10 Coordinator

‘Life Is A Journey’
Year 10 Experiences

Retreat

Year 10 Experiences

Personal Learning Plan (PLP)

Mrs Chris Mardle
PLP Coordinator
PLP is important:

• SACE.
• Compulsory
• You need to achieve at least a C
• It’s worth 10 credits
PLP is practical:

- Work Experience
- A Mock Job Interview
- Retreat
- Career investigation
- Setting goals
Capabilities

• Literacy
• Numeracy
• Information and Communication Technology Capability
• Creative and Critical Thinking
• Personal and Social Capability
• Ethical Understanding
• Intercultural Understanding
PLP involves parents:

- It’s a chance to discuss possible career choices and course selection with your son/daughter.
- It’s a chance to help students to find referees.
- Parents can give feedback on writing a resume or going for a job interview.
Year 10 Experiences

Work Experience

Ms Judy Minge

Work Experience Coordinator
Year 10 Work Experience

Term 3, 2017
Either
Week 9 or 10
5 day Placement
Work Experience

Term 1 2017

Placements are organised and finalised

Exceptions for work experience placements:
: interstate placements (Principal approval)
: no placements within family businesses

Consideration needs to be given to student safety and adequate supervision whilst on placement
Work Experience

**Hint: Start planning before next year**

Certain occupations are very popular for work experience and placements fill quickly at the **beginning** of the year.

If you know now where your child would like to attend for their placement, it would be beneficial to contact the business in November/December to determine if you can secure a place for September 2017.

Work Experience

Some careers are VERY difficult to receive a work placement

Eg. Medical, legal, media, promotions, radio
Work Experience is about ...

Experiencing the “World of Work”

• Different hours to school – generally longer
• Working with new people and not their peers
• Meeting new people and mixing in a new environment
• Being in a new and strange environment
• Greater responsibilities
• Independence
• Different modes of transport
• Living away from home
• Having to do things for themselves
• Be brave to make decisions and ask questions
• Following instructions from a boss, not a teacher
• Being accountable to a boss
• Different dress code
Work Experience

Students seeking a placement in child or aged care and education may be required to undergo a DCSI Screening

Department for Communities and Social Inclusion

• Child-related employment screening
• Vulnerable person-related employment screening
• Aged care sector employment screening
• Disability services employment screening

Choosing Year 10 Subjects
COMPULSORY Subjects

English (Year)

History Core (Sem)

LIFE (Sem)

Mathematics (Year)

Personal Learning Plan (Sem)

Physical Education (Core) (Year)

Science (Year)
ELECTIVE Subjects

Agriculture
Design and Technology – Metal/Wood/Electronics
Design and Technology - Textiles
Drama (Creative Arts)
Food and Hospitality
Geography
German
Japanese
Music
History through Film
Health & Physical Education (Elective)
Visual Arts – Art
Visual Arts - Design
ELECTIVE SUBJECTS

German A&B
Japanese A&B
Music A&B

These subjects must be chosen for the full year
They are entered twice on the subject choice form
(2 semesters)
ELECTIVE SUBJECTS

Agriculture A (Winemaking)
Semester 1 only

Agriculture B (Vineyard Operations & Dairy)
Semester 2 only
No need to have done Agriculture A first
ELECTIVE SUBJECTS

Design and Technology
Wood
Metal
Electronics
(1 semester each)

Choose a maximum of 2
ELECTIVE SUBJECTS

Visual Arts

**Design**

Semester 1
Brand identify and Album Cover

Semester 2
Magazine cover and exploration of ethics

**Art**

Semester 1
Drawing, Mixed Media, Painting

Semester 2
Drawing, Sculpture, Printmaking

Choose a maximum of 2
ELECTIVE SUBJECTS

Drama A
Drama B
Geography A
Geography B
History through Film
Food & Hospitality A
Food & Hospitality B
Textiles (1 semester)
Physical Education Elective

Generally

• A indicates Semester 1
• B indicates Semester 2

Not always the case – will depend on the number of students wanting to do subjects

However, do not choose more than 3 A or 3 B subjects otherwise your child will not receive all their choices.
Procedure for Completing the Subject Form

Select 5 Subjects for 2017 by writing down the subjects you wish to do in order of preference

Select 2 Units as Reserve (6 & 7)

Parents sign and date

Return via Student Services by next Monday 16th September
Online Subject Selection

Mr Ivan Muster
Mathematics

Mr Michael Nokes
Important Points / Questions

- Mathematics is a compulsory subject to Year 11 semester 1, in which all students must PASS (C grade or better)
- Technology is an essential part of mathematics, a criteria required by the SACE Board.
- Can my child change mathematics class levels during the year? YES – beware of future pathways
- Does the level of Mathematics studied at Year 10 level impact on future pathways offered? It can
Important Points / Questions

- Does my child need a Graphic calculator? YES
  - Year 10 – Maths Studies classes
  - Year 11 & 12 – selected subjects
  - Resale afterwards is available
- Graphic Calculator – fx-CG20AU is available.
- Cost is approx. $216. Available through booklist (or online)
General Information

• Subject choice form - a recommendation for Mathematics in 2017 – suggested class level

• Please note that pathways available are based upon current grade levels and recommendations

• Pathways are flexible with negotiation by the coordinator.
Course Selection (pg 29)

- Year 10 Mathematical Studies
- Year 10 Applied Mathematics
- Year 10 Applied Mathematics (Modified)

Or

- Stage 1 Mathematical Methods A & B
- Specialist Mathematics C & D

- Stage 1 Mathematical Methods A & B

- Stage 1 General Mathematics A & B

- Stage 1 Essential Mathematics A & B
  - (only)

- Stage 2 Specialist Mathematics paired with
  - Stage 2 Mathematics Methods

- Stage 2 Mathematics Methods

- Stage 2 General Mathematics

- Stage 2 Essential Mathematics
Subject Recommendation

• Please note that the recommendations indicate the capability of the student to study the subject at Year 10 based on the student’s performance and selected subjects in Year 9.

• We encourage students to continue on with Mathematical Studies for as long as possible – provides more opportunities later on.
Subject Advice

Subject representatives are waiting in the foyer to offer advice.
