## YEAR 9 AQUATICS CAMP - 2016

*Faith Lutheran College considers this camp to be a compulsory activity for all Year 9 students. As such we sincerely hope that the Year 9 Aquatics Camp 2016 provides a positive experience for all those involved.*

*This camp aims to foster the spiritual growth of students, the development of a sense of community and provide a range of aquatics and other team building activities. There is an emphasis in a practical and Christian way on relating to each other in a supportive and affirmative manner, where we look at what it means to be part of a team.*

### **Please note the following important points:**

1. **Please DO NOT** bring mobile phones, ipads, ipods, or any other electronic device. Both parents and students are urged to abide by this request. Devices on camp will be confiscated until the student returns back to Faith College.
2. The emergency contact number on camp is 0488 271 507. Ms Minge will have this College Mobile with her at all times. This number should be used for emergency contacts only. Camp Kedron contact number is (08) 8588 7059.
3. **Students who have medication for Asthma, Bee Stings, Diabetes or any other allergies**, please ensure that it is clearly named, and carried with you to **ALL** Aquatics sessions.
4. There will **NOT** be an opportunity for spending money. **Please DO NOT bring money with you.**
5. **DO NOT** bring **Chewing Gum**. It is banned on the buses, at Camp Kedron and during the Aquatics activities.
6. The camp is divided into two halves. Attendance at school is expected on the two **NON-CAMP** days during camp week.

**Ms Minge**
